

Project Name	Fostering Vocational Education Training
Start–End	July 2014–June 2016
Project Value	368.398,80 EUR
Slovenian Funding	185.000 EUR
Recipient Country/ Donation Recipient	Albania / Faculty of Veterinary Medicine, Agricultural University of Tirana
Project Contractor	BCCD Tirana
CRS CODE	CRS CODE 11120
Project Description	With the donation of the Republic of Slovenia a Vocational Education and Training Centre has been established. Project included the construction of an extension to the Veterinary faculty with capacity of over 100 people. Vocational training will include laboratory diagnosing for the performance of biological and hematological analysis, propedeutic diagnosing, application of surgical sophisticated techniques as well as application of echography and endoscopic diagnosing for clinical disease in pets. The Vocational Training Center will make a significant contribution to the upgrading of the veterinary educational system in Albania by setting quality standards at national level.
Project Phase	The project is concluded.
