

Project Name	Ecoremediations to Protect the Environment and Development in Una-Sana Canton
Start–End	December 2013–June 2015
Project Value	200.000 EUR
Slovenian Funding	120.000 EUR
Recipient Country/ Donation Recipient	Bosnia and Herzegovina / Una-Sana Canton Ministry of Construction, Physical Planning and Environmental Protection
Project Contractor	Limnos d.o.o. Ljubljana
CRS CODE	CRS CODE 41010
Project Description	<p>The main environmental problems and their causes have been identified within the project; in addition a comparison of the cantonal environmental policy with environmental objectives of the EU has been drawn. A list of potential ecoremediations as means of solving specific environmental problems has been drawn up. Priority areas for the implementation of ecoremediations have been determined and expert bases for their implementation prepared. Examples of ecoremediations have been presented in practice. Within the project the ecoremediation treatment plant and ecoremediation system for the purification of wastewater have been constructed. The project will contribute significantly to the protection of natural resources.</p>
Project Phase	The project is concluded.
